

NEWS FROM LA ESCUELITA

FEBRUARY 2024

“THE BEST PRE-SCHOOL IN DISTRICT ONE”

District One includes the entire central part of the Managua, the Capital City of Nicaragua. The District (where La Escuelita is located) covers some of the poorest areas of the city, but it also includes several middle class and wealthier areas. Within these wealthier areas, you might expect to find better schools. It is with great joy that we tell you that the representative from the Ministry of Education told the teachers that La Escuelita is “**The Best Pre-School In District One.**”

The many years of dedicated work from the teachers has made this happen. We thank all of our donors and supporters who have made it possible for La Escuelita to become such a good place for the children to begin their education.

THE 2024 SCHOOL YEAR HAS BEGUN

Monday, January 29 was the first day of the new school year. The school was filled with anxious children (and anxious parents.) But the children were soon occupied with coloring pictures as they begin their educational journal. This week is the beginning of the 30th year of La Escuelita. For 30 years these dedicated teachers have been reaching the children with lessons, lunch and love.
