**2021 has been another year of challenge, struggle and successful work for La Escuelita.  
COVID and travel bans have affected our donations.**

**Challenge** - As vaccines became available and COVID began to decline slightly in the US, it surged in Nicaragua. Fear of increasing cases and scarcity of vaccines caused some parents to keep their children home from school. Some parents have been infected causing family hardship.

**Struggle** – Alicia Narvaez, the Director and lead teacher of La Escuelita, underwent surgery in late May and was out of school for six weeks because of some problems with the healing of internal stitches.

**Successful Work** – With the help of a substitute teacher and the continued support of people like YOU, the classes continued, special activities continued, and the school will soon celebrate its 27<sup>th</sup> Promotion Day.

**NONE OF THIS COULD HAVE HAPPENED WITHOUT THE SUPPORT OF PEOPLE LIKE YOU!**
